Do you believe in fairies?

If you don't, you should.

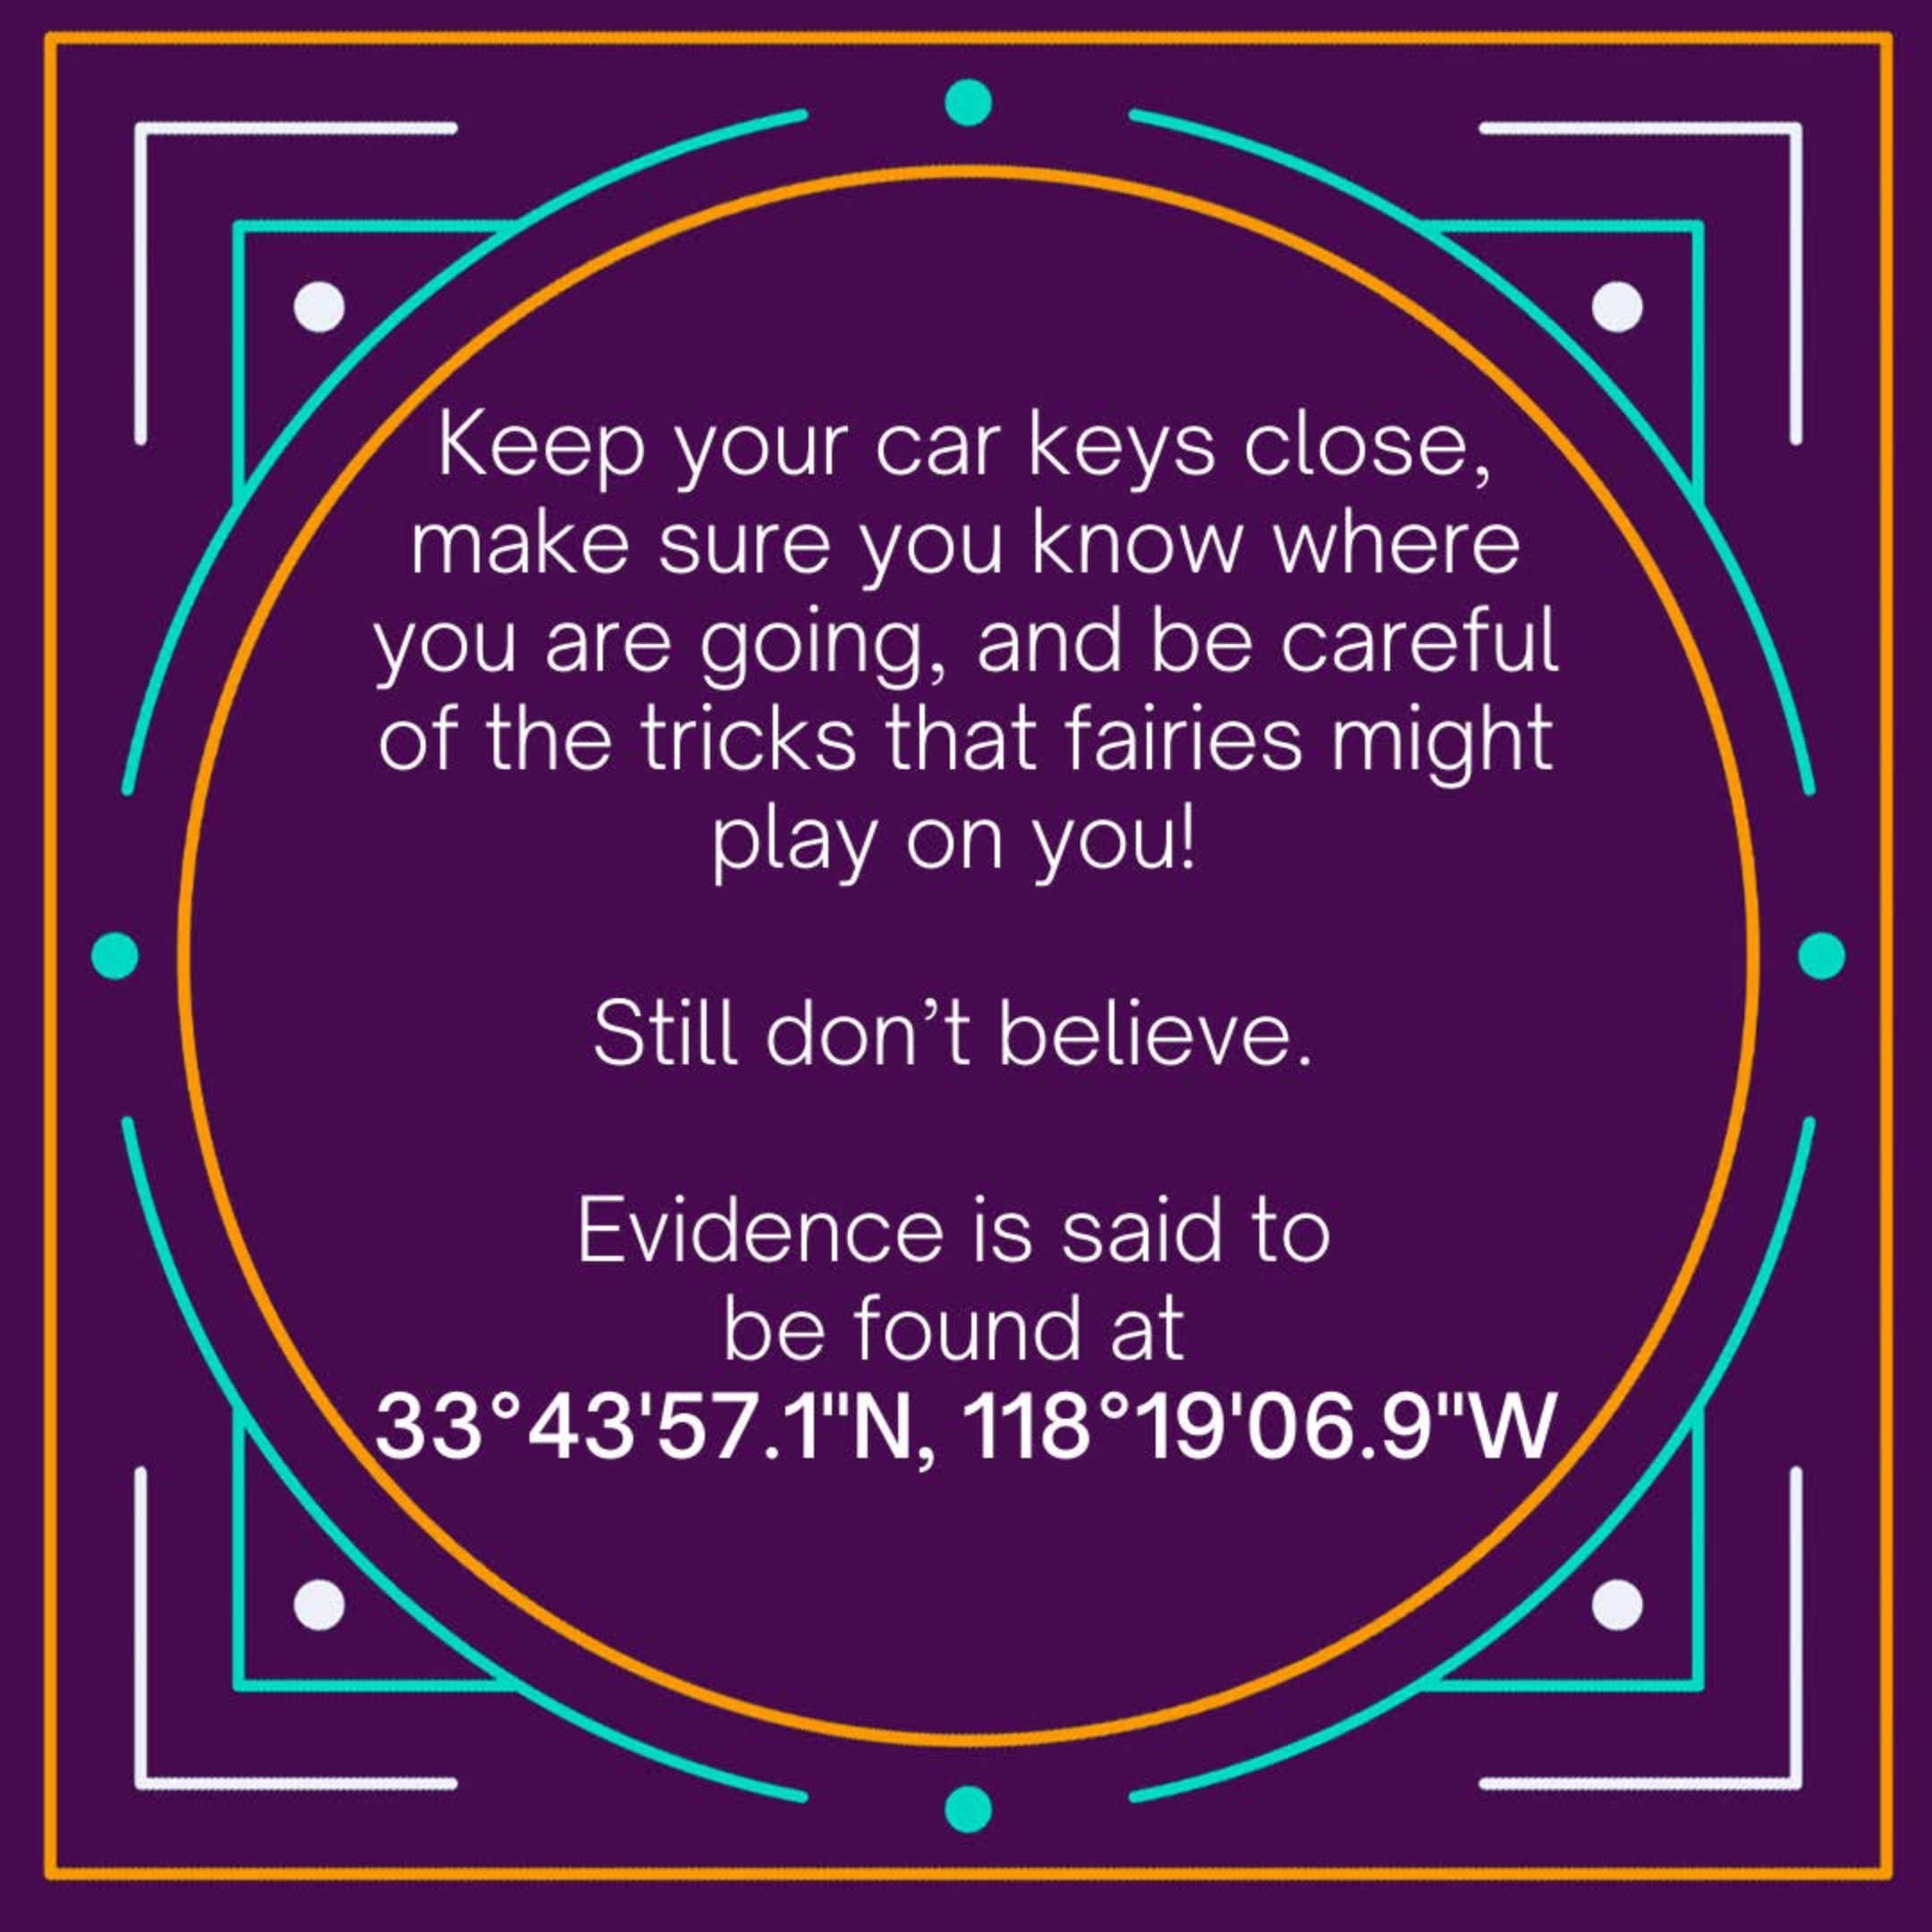

These beautiful creatures,  
tiny and full of wonder once  
lived among us.

Thoughtless and greedy humans cut down the trees and left barren the hills where the fairies had built their homes.

This angered the fairies.

They now seek vengeance by playing mean tricks on people.

Keep your car keys close,  
make sure you know where  
you are going, and be careful  
of the tricks that fairies might  
play on you!

Still don't believe.
