HURRY! HURRY!

Rider screams hanging on to
the Ridgeback's scales.....as
the mist draws ever near.....
Deep gray smoke and bolts of
fire billow, from the
enflamed nostrils.

The large wings heavy from
flight, carry the small rider.

Fleeing from the cursed
mist, high above the street
lights below...desperately
searching for a secret
hide-a-way...LOOK!!

The words illuminated in the
night sky: "Look and you
shall see the footprints
leading to a tree"... Down...
Down...through the dark
night sky, dragon and
rider fall...

to the Dragon's Grotto found at
34 02'02.0"N, 118 02'43.4W
a safe place where
every Wizard would want to
be.
