

LA COUNTY PARKS & RECREATION PRESENTS

# NATURAL AREAS

Eaton Canyon Nature Center

## Story Time - Nature Tails

Nature Tails Docent led Story Time Reading is an interactive program designed for young readers and their families.

Together we will read books and interact with puppets and natural instruments as we learn about plants, animals, and nature.

The program is designed to promote bonding, making new friends, building self-confidence, and developing an appreciation for nature. Presentations are given by trained ECNCA volunteer naturalist staff.
