NATURAL AREA DISCOVERY TABLES

Discover the wonders of the natural world with the Nature Centers and Natural Areas.

Immerse yourself in interactive educational exhibits designed to bring you closer to nature, providing a hands-on experience like no other.

BEEKEEPERS

Embark on an exciting journey to uncover the vital role of bees! Learn firsthand from knowledgeable beekeepers how to care for these incredible creatures.

INSECTARIUM

Immerse yourself in thrilling live exhibits that showcase the diverse and fascinating creatures that inhabit our planet. Engage in interactive and entertaining activities that will ignite your curiosity and leave you buzzing with excitement.

ANIMAL AMBASSADORS

Learn, Respect, Appreciate, Protect.
Meet our animal ambassadors and
learn about our local wildlife species and
uncover their fascinating behaviors.

KIDS' CRAFTS

Our expert staff will guide kids to unleash their creativity, crafting unique masterpieces inspired by the wonders of the natural world. Join us for an exciting exploration of self-expression through hands-on crafting activities that celebrate the beauty of nature! Fun is guaranteed!

PYGMY GOATS

Get ready for an unforgettable experience as we welcome adorable pygmy goats to our Natural Area! These charming creatures will delight visitors of all ages! Don't miss this unique opportunity to interact with these loveable animals and create lasting memories with family and friends!

PLANTING DEMONSTRATION

Discover the beauty of native plants!
Join us for a planting demonstration and
maintenance session with experts. Let's
nurture our local ecosystem together.

FOLKLORICO DANCERS

Experience the vibrant rhythms and colorful traditions of Folklorico dancers as they grace our event with their mesmerizing performances. This will be an unforgettable celebration of culture and movement!
