LA County Golf Advisory Committee – Call for Applications

LA County Department of Parks and Recreation is seeking eleven (11) volunteer residents of LA County to serve in a volunteer role on the Golf Advisory Committee (GAC). Appointed volunteers will be expected to serve a minimum of one (1) term, consisting of at least two (2) years.

A strong advisory committee should reflect the full diversity of LA County, encompassing various ages, ethnicities, backgrounds, and lived experiences. Whether you are a long-time resident, a young adult looking to get involved for the first time, a veteran golf league participant at a County course, or anyone in between, your application is welcome.

Golf Advisory Committee History

The Golf Advisory Committee (GAC) is an instrumental advisory group to the Department of Parks and Recreation (DPR), its golf department, and, ultimately, the Director of Parks and Recreation. The Committee was formed years ago by the LA County Board of Supervisors and operates under the Brown Act, which governs public meeting rules, agendas, minutes, and public comment.

As an official advisory committee to the DPR, the GAC makes recommendations on various items relative to the County's 20 operational golf courses. It is instrumental in representing the greater community and involving community members interested in the game, courses, and community development.

The GAC's purpose is **to provide a mechanism of credible and comprehensive public/community input to the Director of the Department of Parks and Recreation.**

The anticipated time commitment for this volunteer role is estimated to be between [1] and [2] hours a month, for a total of [12] to [24] hours per calendar year.
